Commencement Exercises Extend Through Several Days—Are of Special Interest.

DR. KENT THE FINAL ORATOR

Delivers Striking Address on Anniversaries of Famous Men. The Honor Pupils.

ORANGE, VA., June 13.—The eighteenth session of Woodberry Forest School came to an end Thursday night. On the preceding Sunday, June 7th, Bishop Beverly D. Tucker, of the Southern Diocese of Virginia, preached the baccalaureate sermon. The annual supper for the baseball team and alumni was held Wednesday evening. This is always an occasion for some speech-making and the presentation of certain athletic prizes. Mr. W. A. Galt, Washington, D. C., received a gold stickpin for having the highest batting average. The prize for excellence in fielding went to Mr. William Frazier, Richmond, Va., and Mr. J. V. Grainger, Jr., Wilmington, N. C., was awarded the field day medal. It was announced that Mr. C. C. Galt, Washington, D. C., had been elected captain of the baseball team for next year.

In the declamatory contest, which came immediately after the supper, Mr. A. C. Robertson, Staunton, Va., won the first prize, and Mr. George Thompson, Jr., Fort Worth, Tex., the second. Thursday morning the headmaster made his farewell talk to the boys, and in the afternoon there was a game of baseball between the alumni and the students. In spite of the fact that the alumni team was captained by Carl Walker, the famous Virginia twirler, the students won by the decisive score of 9 to 2.

Final Exercises. The final exercises, with awarding of certificates, medals and diplomas, began at 8:30 o'clock in the evening. The speaker of the occasion was Dr. Charles W. Temperance Advocates Praise the Great Tonic Stimulant

MR. AND MRS. J. E. TREAT.

Malt Whiskey, used as directed, has done much for us, for which we are extremely grateful.—Mr. and Mrs. J. E. Treat, 91 Camp St., Meriden, Conn.

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic-stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It cures nervousness, typhoid, malaria, every form of stomach trouble, all diseases of the throat and lungs, and all rundown and weakened conditions of the body, brain and nerves. It is prescribed by doctors, and is recognized as the great family medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey, and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N.
